

RELEVANT EXPERIENCE

The Clare Estate

Independent, Enhanced & Assisted Living

Bordentown, NJ

A former monastery that was renovated and a new building constructed for the Assisted Living wing.

A new glass main entrance connected the tradition building and new addition.

Services included:

- Space Planning
- Interior Design
- Furniture specification & procurement
- Installation management

The Clare Estate is a 9-acre historic adaptive reuse of a monastery, home of the Sisters of Poor Clare until 1998. The project consisted of 36 independent living townhouses, 50 enhanced living apartments located in the historic portion and 51 assisted living apartments in the new building addition. A light-filled atrium reception and activity center joins the historic building & new addition. The chapel, with original stained glass windows serves as the main dining room.
